TIME IS MONEY.

Sourcewell goes through the competitive bidding process so you don't have to, allowing you to satisfy your bidding requirements much faster – with less hassle.

WHAT IS SOURCEWELL?

Sourcewell is a public agency that offers competitively solicited purchasing contracts for products and equipment to member agencies so those members do not have to duplicate the solicitation process – it's already been done on their behalf! By leveraging competitively solicited and awarded contracts, your team has more time to handle other important tasks. Sourcewell awarded vendors – like Wastequip – can provide aggressive, competitive pricing.

WHY SOURCEWELL?

Sourcewell serves as a municipal contracting agency, competitively awarding cooperative contract solutions on the national level. They evaluate vendors on more than just price – they also consider quality and credibility. Sourcewell vendor contracts include over 175 industry-leading brands in areas such as facilities, maintenance and repair, technology, heavy equipment, utility equipment, and transportation – just to name a few. With free membership, access to suppliers of the most trusted brands, and aggressive, competitive pricing, the Sourcewell contract is the best option for your business.

WASTEQUIP AND SOURCEWELL

Sourcewell has awarded Wastequip as a vendor for a full line of waste handling equipment for collecting, processing, and transporting recyclables, solid waste, liquid waste, and organics. Through this contract, you can satisfy your bidding requirements for waste equipment with confidence, knowing that Sourcewell has already done the hard work for you. With a strong history of manufacturing expertise, product innovation, and industry-leading brands like Galbreath, Pioneer, CONFAB, Amrep and Mountain Tarp, Wastequip offers a full line of products, systems, and solutions to collect and transport just about any type of waste or recyclable.

MORE THAN JUST CONTAINERS

Wastequip's family of brands provides an unmatched product offering in the market. Other than containers, Wastequip offers an all-in-one offering that covers you from the beginning to the end of the waste collection process. Once waste has been collected, trust Wastequip brands like Pioneer and Mountain Tarp for covering and protecting your hauls. If your valuable waste equipment breaks down or loses a component, rely on our Wastebuilt and Wastequip WRX brands for parts, installs or general service.

HOW DOES SOURCEWELL WORK?

Sourcewell has the legislative authority, by law, to establish contracts for government and education agencies on a national basis. Sourcewell facilitates the competitive bidding process on behalf of their members' needs, and mirrors their contracting process. As a public agency, Sourcewell is its own lead agency to facilitate and hold contracts on behalf of its members. Members receive the added benefit of Sourcewell maintaining all procurement documentation and storing it, essentially creating a safe, secure paper trail.
